O R D E R:-

In the references read above it has been brought to the notice of the Government that the Chief Coach, District Sports Authority has requested to accommodate new gyms for both girls and boys with latest ultra-modem gym equipment and facilities for general fitness, weight training programme and circuit training programmes, as the athletes and players of Guntur are actively participating in different Indoor & Outdoor games at National level under coaching and guidance of District Sports Authority Athletes. He has further informed that in the games of Athletics, Weightlifting, Volleyball, Judo, Football, Basketball, Lawn Tennis and Fencing, 40% of players of the above games are taking training in the existing B.R. Stadium Sports Complex making scarcity of space and latest gym equipment, which is affecting the efficiency of the players.

2. On the above request of the Chief Coach, District Sports Authority, the Commissioner, GMC, Guntur has informed that the Brundavan Gardens, situated at Ward No. 18 Block No 28, TS No. 1990/3, 4, 5, & 6 is a home to the Municipal Stadium commonly known as NTR Stadium spanning in an area of approximately Ac 3.70 cents (14973 sq.mts). The above extent has come to ownership of the Guntur Municipal Corporation (GMC) through land acquisition vide Award no.5/68 dated 26.12.1969 issued by the Special Tahsildar, (LA), Municipal TP scheme. The NTR Stadium presently is equipped with various sports facilities, including Tennis Court, Basketball Court, Indoor Stadium with a Shuttle Court and running and walking track. Every day around 4000 to 5000 persons visit the Stadium for walking and approximately 300 to 400 Individuals/athletes engage in playing shuttle, tennis and basketball games. The current gym is very small and only meets the needs of the general public, not the athletes. It lacks the equipment that athletes need to improve their fitness and performance in their sports and also there is no separate gym facility for ladies and gents as requested and the same is leading to congestion and inconvenience of the gym users.

3. Further, given the pressing need for enhanced gym facilities and to cater separately to ladies and gents, the Commissioner, GMC, Guntur has proposed for

construction of a separate gym within the NTR Stadium at the vacant land of 312 Sq.mts in North-West corner of the Stadium and the same got approved in GMC Council vide Council Resolution No.368, dated:11.09.2023. Further, the GMC has obtained "No Objection Certificate" (NOC) from the Traffic Police to the proposed construction project.

4. While furnishing the above proposal, the Commissioner, GMC, Guntur has requested the Government to declare the construction of separate gym for ladies and gents on the Ground & First Floor at NTR stadium as Operational Construction, since it is essential for increasing the efficiency of athletes at national and international levels under national sports policy of 2017-2022 to improve their fitness and performance in their sports.

5. On the above proposal of the Commissioner, GMC, Guntur, the Commissioner, APCRDA, Vijayawada vide reference 2nd read above has informed that, they have no objection for the notification of the proposed construction for addition of separate gym for ladies and gents on the Ground & First Floor in the existing stadium.

6. The Government after careful examination of the proposal hereby issue the following notification for construction of separate gym for ladies and gents on the Ground & First Floor at NTR stadium, without disturbing the original structure of the NTR Stadium by treating it as Operational Construction.

7. Accordingly, the following notification will be published in the Extra-ordinary issue of Andhra Pradesh Gazette, dated:22.01.2024

8. The Commissioner, Guntur Municipal Corporation, Guntur is therefore directed to take further necessary action in the matter.

9. A copy of this order is available in the Internet and can be accessed at the address https://apegazette.cgg.gov.in.

NOTIFICATION

In exercise of the powers conferred under Section 2(28) of the APCRDA Act, 2014, the Government of Andhra Pradesh hereby declare the proposed construction of separate gym for ladies and gents on the Ground & First Floor at NTR stadium, Guntur without disturbing the original structure of the NTR Stadium, as "Operational Construction", since it is essential for increasing the efficiency of athletes at national and international levels under national sports policy of 2017-2022 to improve their fitness and performance in their sports.
